- Tools – Git/Github, Confluence, VS Code, IntelliJ

PERSONAL SKILLS

- Fast learner - Able to learn and adapt to new skills within a short timeframe. This has aided me in successfully completing my university degree, where I had to learn various skills to complete projects and assignments.
- Team player - Work and interact well with others. This has allowed me to perform well in my role as a volunteer, where I worked with other team members to complete our assigned duties.
- Diligent worker – Ability to continuously perform tasks efficiently, remaining focused for long periods of time. This has helped me in university when studying for exams, as well as during my volunteer work.
